Physical Partnerships

Although we are only now transitioning toward Romanian life, we are confident that there will be many opportunities for fellow believers to minister in Romania with us. If you are interested in a short-term missions trip or in possibly joining the Romanian team for a year or more, please let us know.

By way of introduction please let us know the following information:

We are seeking both long-term and short-term partners for the work in Romania. Short-term partnerships will enable us to minister in Romania through May 2012. Long-term partnerships will enable us to continue ministering without returning to America to raise additional support.

Please indicate how God is leading you to partner with us.

- I desire to support the Louk family on a long-term basis, as they seek to serve the Lord in Romania.
- I currently plan to support only during the Louk family's time serving as furlough replacement through May 2012.
