Dear Praying Friends,

The Lord has done much for us, in preparing the way to go to Romania for a survey trip. He has provided people and ministries to visit with. In addition to visiting with the Howertons (a missionary family in Lugoj, Romania), the Lord is giving us the opportunity to visit a ministry focused on street children, a children's home, and a larger orphan care facility. God has also provided for our financial needs, allowing the purchase of tickets at about one thousand dollars less than the expected price.

In the face of what lies ahead, please pray for the following:

1. safety and health in travel (August 20 - September 18),
2. discernment of how to prepare for ministry in Romania,
3. ways to serve in spite of our current language deficiency.

Thank you for praying,

Joshua and Laurel Louk
