Dear Praying Friends,

The last few months have surprised us with how much a missionary needs to accomplish before he begins to visit churches. God has allowed us to write an introductory packet, a video script, and a detailed description of the situation in Romania and a ministry plan. In addition to this, our display board has been designed and delivered, and we've completed the filming for our video. Now we are in the process of setting up a church visiting schedule.

God gave us a special blessing in preparing the video. We visited a missionary videographer with Biblical Ministries Worldwide, who is still raising support, hoping to borrow or purchase some footage of Romania to use in our video. Instead, the videographer offered to produce the video for us for free. We left her office praising God for working things out better than we had hoped for. The video should be completed by mid-December.

Please pray that everything would be ready for us to start visiting churches in January. Pray specifically for the tasks that need to be accomplished:

1. Diligence in daily duties and devotions
2. Successful completion of Romanian survey video
3. Meetings at churches we can partner with

Thank you for praying,
