

Praising God for Answered Prayer

- God graciously answered your prayers for this past weekend's missions conference at Family Bible Church. The conference was well attended and people's interaction with us seemed especially heart-felt. We were also grateful for a reprieve from Laurel's migraines, and were surprised by how well our little ones traveled. Thank you so much for praying.
- After several lean months, God seems to be blessing with rapid increases in support. In addition to the two churches who joined our team last week, two individual families began partnering with us this week bringing our support to ***eighty percent!*** Thank you for praying.

Vivian's smiles made her instant friends inside and outside of the nursery.

Athan had a blast playing chase with the other children at the conference.
