

Praising God for Answered Prayer

God continues to answer your prayers for additional financial partners. Thank you for praying for Auglaize Bible Church's decision. They voted last week to partner with us. We now need to raise only \$875 per month to be at full financial support. We take great comfort in Philippians 4:18-19.

Just as God provided for missionary Paul and for His financial partners the Philippian church, we are confident that He will provide for what He's called us to and for those who He's led to support us financially and through prayer. Thank you for taking part in His plan to take the gospel to the fatherless children of Romania.
